**L.A. City Attorney -- Mike Feuer**  
**L.A. City Controller -- Ron Galperin**

## **L.A. Community College District Board of Trustees**

**Seat 2 -- Mike Eng**

**Seat 6 -- No endorsement**

### **PROP C -- YES**

A YES vote means you want the people of the city to support an amendment to the US Constitution to limit the rights of corporations so that spending money on campaigns is not constitutionally protected speech, and to ensure all citizens can have their views heard.

**PPDC supports this measure because it believes corporations do not have the same rights as people are afforded under the Constitution and that the *Citizens United* decision should be overturned.**

### **PROP D -- YES**

A YES vote means you want to regulate "medical marijuana businesses" by allowing the operation of no more than 135 of these businesses that have operated since 2007, are registered with the city, and have met all operational requirements. You also want to increase the city tax on these businesses from \$50 to \$60 for each \$1,000 of gross receipts.

**PPDC supports this proposition because we believe it is a reasonable compromise in controlling the proliferation of unregulated medical marijuana businesses while allowing for patient access and increased tax revenue.**
